GRAND HOTEL MACKINAC ISLAND MI

The Great Barrier Reef and The Golden Triangle are two murals by Jan Barwick that were featured in the Tropical Diver Exhibition at The Georgia Aquarium for about four years. These two extraordinary scenes depicted the busy life around a coral head in the Indian & Pacific Oceans.

We would like to introduce to you ARORA!  
by Jan Barwick.

Arora : (Kiribati) vt, extend as the hand, stretch out, n.ridge in the coral reef on the ocean side.

David Penn of *That's The Spirit* and *Beachlife by Jan Barwick* have partnered with ARKBVI. This collaboration is more than a partnership, It's a promise to protect the ocean and its inhabitants for generations to come. As the ambassador for their partnership with ARKBVI, Arora has her very own collection and a portion of all her sales will be contributed to ARKBVI. Each time you choose an Arora product in *beachlife by janbarwick*, you are contributing to the preservation of our planet's most precious resource. Every single Arora item sold will not only support ARKBVI's projects but will also raise awareness about the importance of marine conservation. Let's protect our precious sea one stylish piece at a time!
